## Introduction

What is TipMe WooCommerce Payment Gateway Module?

WooCommerce is an eCommerce platform, built on open source technology, which provides online merchants with a flexible shopping cart system, as well as control over the look-and-feel, content and functionality of their online store.

WooCommerce has been integrated with TipMe to offer businesses and individuals who wish to engage in eCommerce to be able to receive payments using their TipMe wallet account. It also allows shoppers to shop online and make payments using their TipMe wallet balance.

Installing and configuring the TipMe's payment gateway module is simple, secure and convenient. No prior programming knowledge is required.

## Signing up for a TipMe account

Before you can start taking payments through TipMe's payment gateway, you will first need to sign up and be approved for a TipMe Business (merchant) account. Refer to our TipMe User Manual.

Once your Business account has been approved you can configure your TipMe Payment Gateway module and start accepting payments in less than 5mins.

## Installing and Configuring WooCommerce

### Prerequisites

Before Installing the TipMe WooCommerce module, check that your web server meets the following requirements:

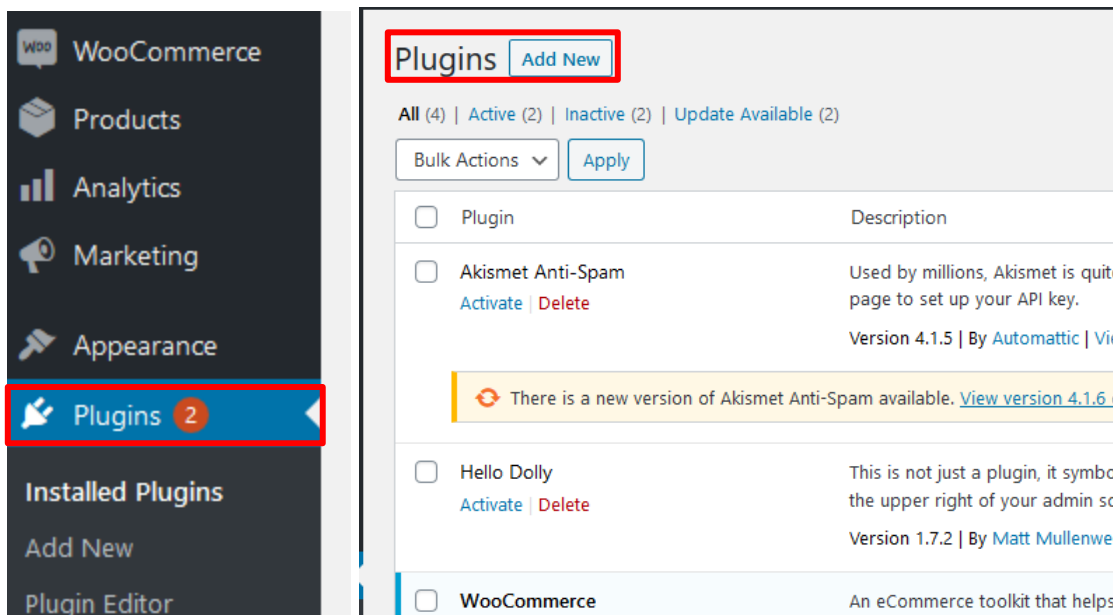

- Existing WooCommerce installation on your web server.
- The TipMe WooCommerce module is compatible with WooCommerce version 5.4.x or higher.
- Supported Web Servers: Apache, Nginx, IIS
- Web Server OS support: Windows, Mac and Linux
- MySQL 5.6+
- PHP (version 5.2 or higher) For further details refer to the WooCommerce website:

<https://docs.woocommerce.com/document/server-requirements/>

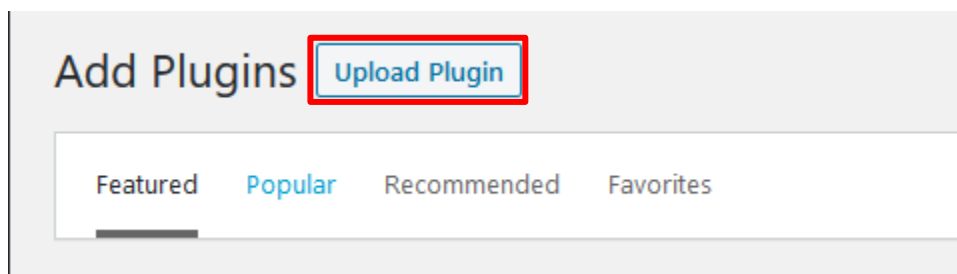

### Step-by-step Installation of TipMe payment gateway

Please follow these steps to install the TipMe's payment gateway module.

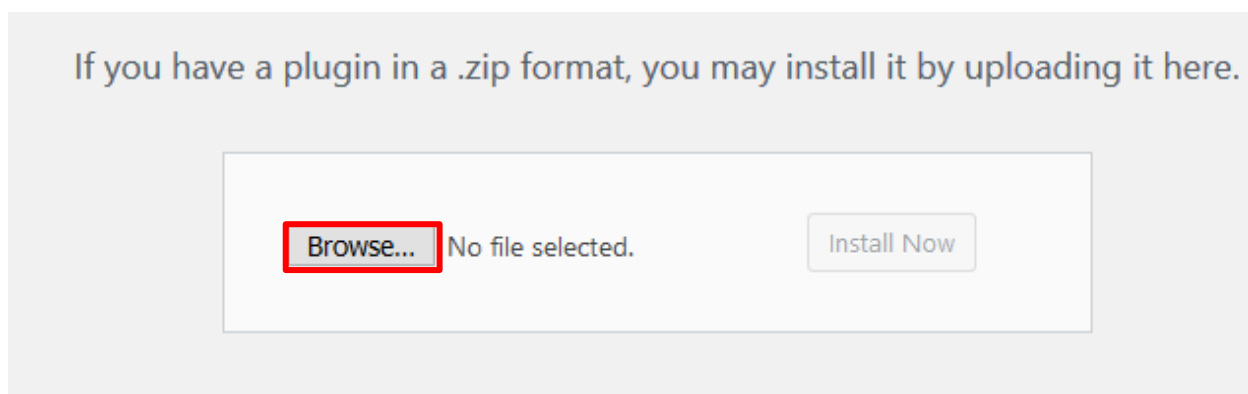

1. Login to your WooCommerce admin account on your web server.
2. Select Pluggins

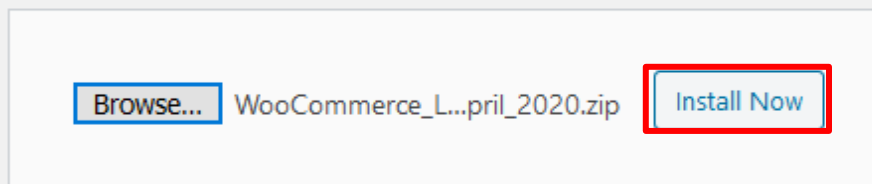

3. On the top right of the Menu pane, click “Add New” followed by “Upload Plugin” on the next screen

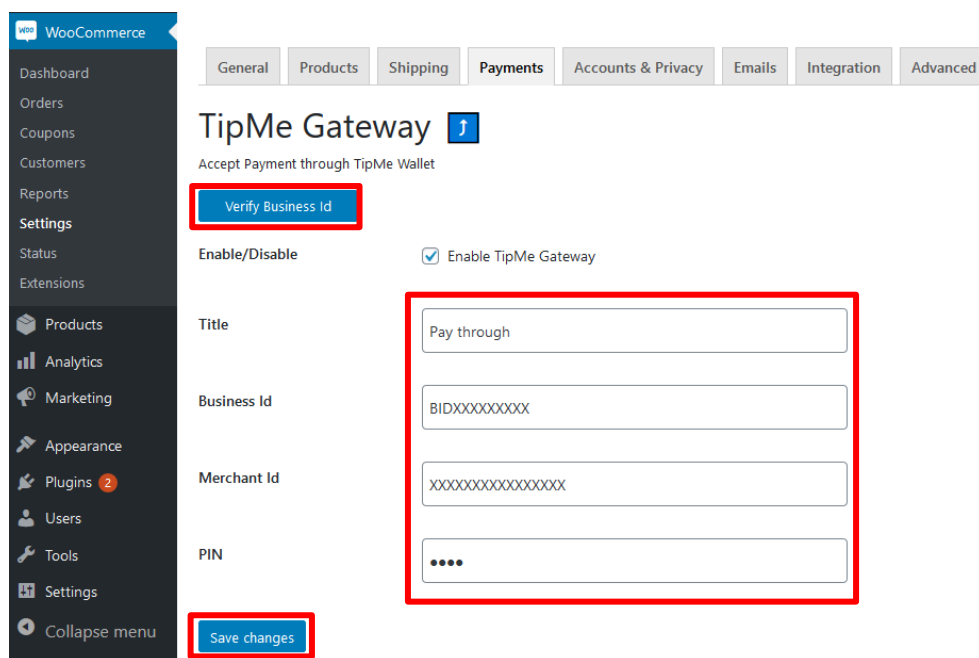

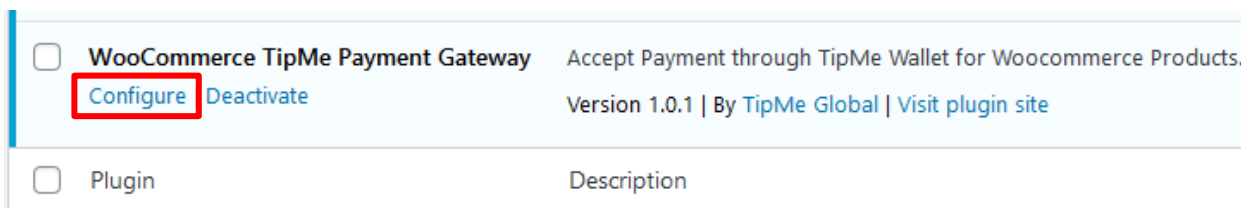

4. Browse to the location of your downloaded module and double click on it to install.

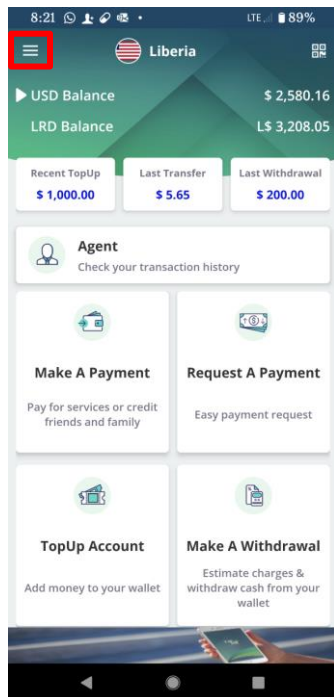

If you have a plugin in a .zip format, you may install it by uploading it here.

5. Click “Configure” to configure the module
6. You need the following information to configure your TipMe Payment Gateway.
  - a. Your Business ID,
  - b. Merchant ID,
  - c. Your Access PIN.

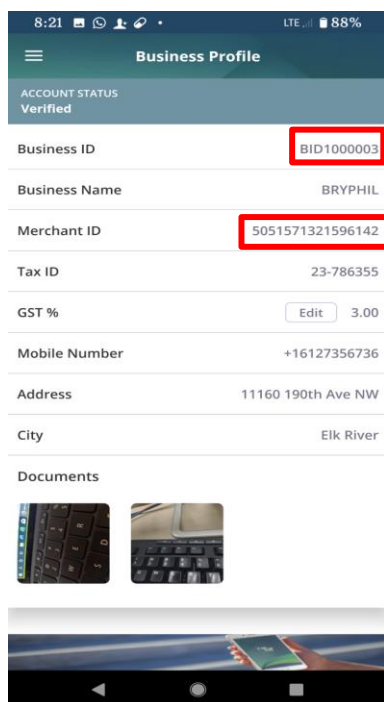

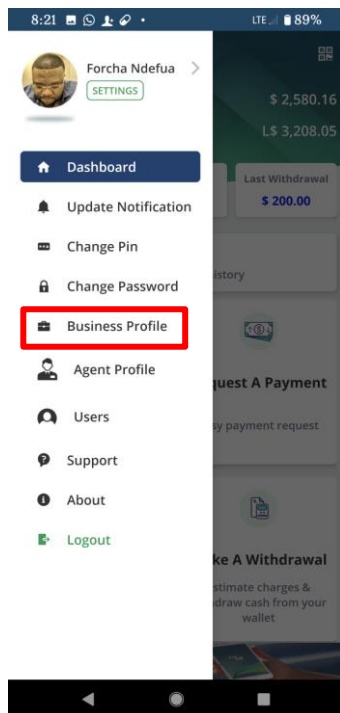

## Where do I find my Business ID & Merchant ID?

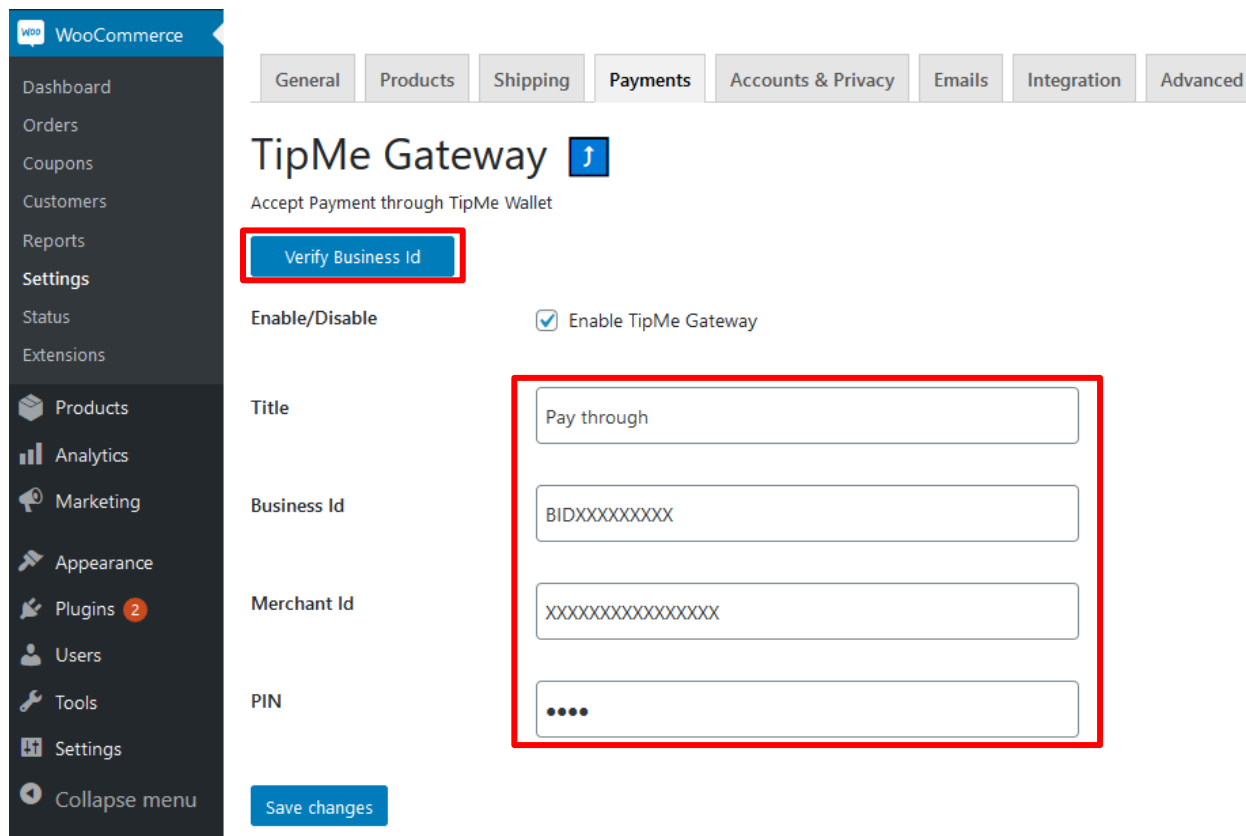

1. Logon on to your TipMe App on your smart phone.
2. Tap on menu icon highlighted on the image

### 3. Tap on “Business Profile”

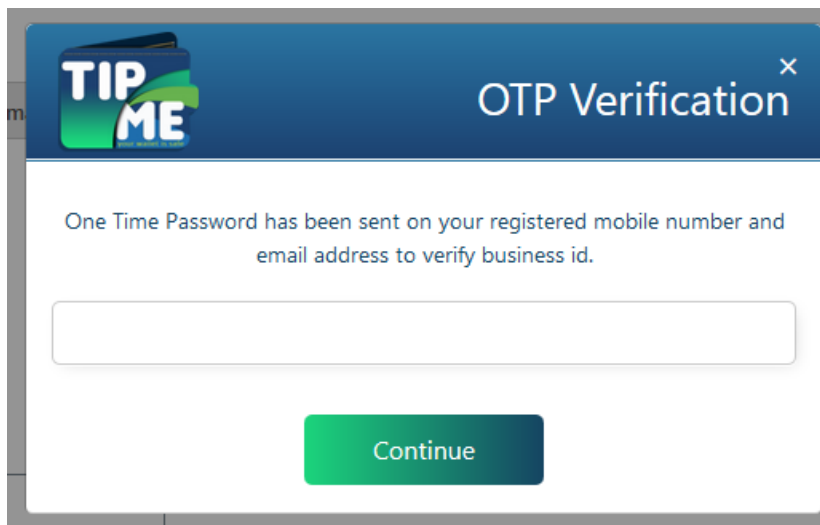

- Return to your Prestashop TipMe Payment Gateway configuration page and enter the required information and hit “Save”. (Your account is not yet verified.)  
click “Verify Business ID”

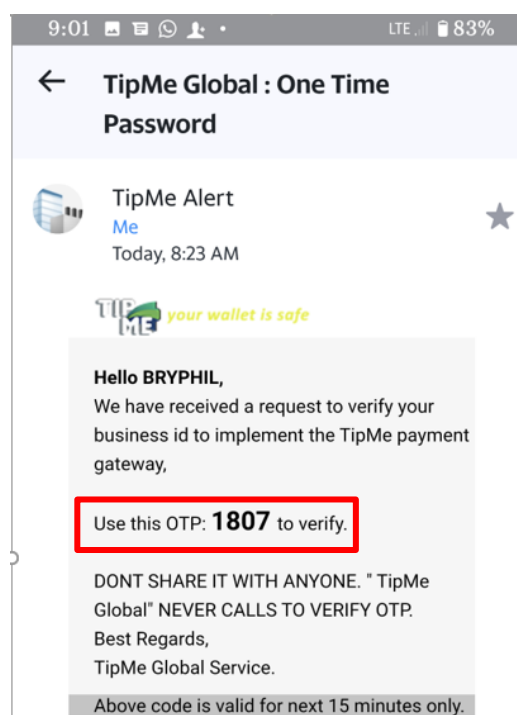

The screenshot displays the WooCommerce admin interface for the TipMe Gateway configuration. The left sidebar shows the 'Settings' menu. The main content area has tabs for 'General', 'Products', 'Shipping', 'Payments', 'Accounts & Privacy', 'Emails', 'Integration', and 'Advanced'. The 'Payments' tab is active, showing the 'TipMe Gateway' configuration. A 'Verify Business Id' button is highlighted with a red box. Below it, the 'Enable/Disable' section has 'Enable TipMe Gateway' checked. The 'Title' field contains 'Pay through'. The 'Business Id' field contains 'BIDXXXXXXXX'. The 'Merchant Id' field contains 'XXXXXXXXXXXXXXXXXX'. The 'PIN' field is masked with four dots. A 'Save changes' button is located at the bottom left of the configuration area.

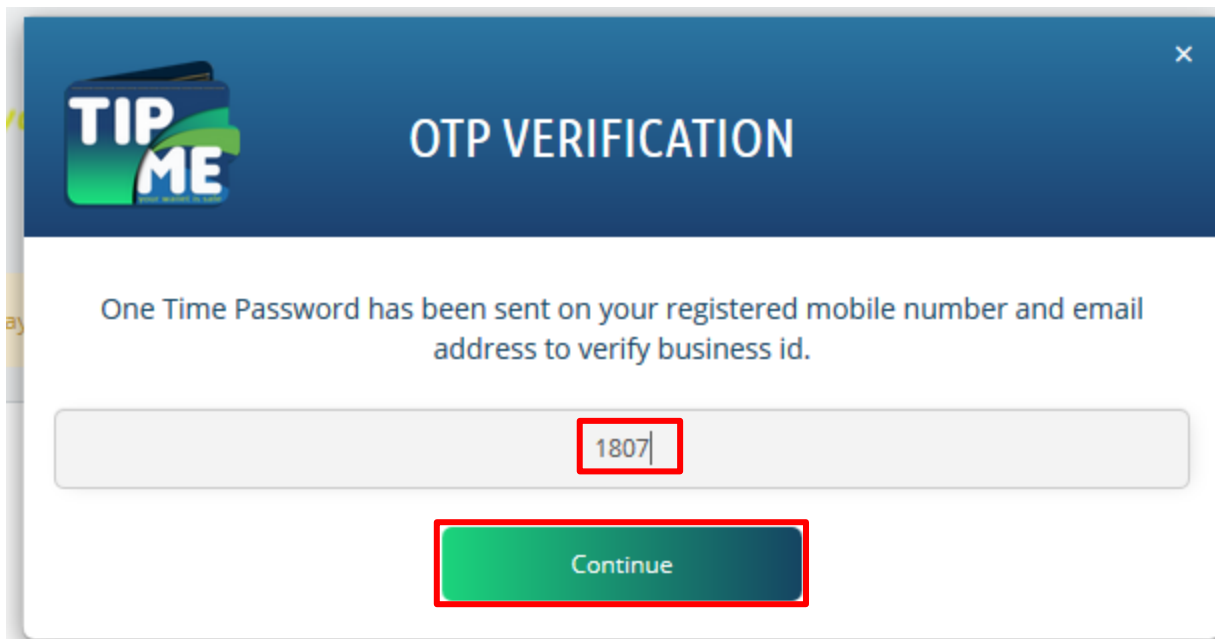

- We will automatically send you an OTP to the email address we have on file for your Business ID.

9. Check your email to retrieve the OTP sent

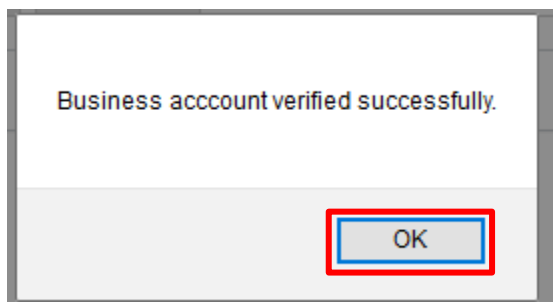

10. Enter OTP and hit “Continue” to verify Business Account.

The image shows a dialog box titled "OTP VERIFICATION" with the TIP ME logo in the top left corner. The text inside reads: "One Time Password has been sent on your registered mobile number and email address to verify business id." Below this text is a text input field containing the number "1807". Below the input field is a green button labeled "Continue". Both the input field and the "Continue" button are highlighted with red rectangular boxes.

11. Your online shop is ready for payments.

The image shows a dialog box with the text "Business account verified successfully." Below the text is a button labeled "OK". The "OK" button is highlighted with a red rectangular box.

# Congratulations!
